

WELCOME BACK TO SCHOOL

SEE WHAT'S NEW & FRESH IN THE SCHOOL CAFÉ!

NEW MENUS & CAFÉ SPACES!

Our chefs and dietitians have been hard at work testing and developing a fresh, new menu for the upcoming school year that includes a wide variety of healthy and delicious options.

In addition to a great food experience, students will be eager to see a newly remodeled serving area coming soon to the Collings Lakes Elementary School!

Throughout the year, students will have the opportunity to learn about healthier options through fun and engaging activities that we have planned in the café through our *Simply Good* food and nutrition education program. Look for the *Simply Good* features on the monthly menu, focusing on local, seasonal, farm to school sourcing.

Download the free *Nutrislice* app or click the *Nutrislice* apple on the Food Service page at Buena.k12.nj.us

BREAKFAST IN THE CLASSROOM

Breakfast is critical to childhood learning and health, yet many students start the day hungry. *Breakfast in the Classroom* takes the traditional breakfast and moves it to the classroom making a healthy start accessible to all of our students.

BIC is available at the elementary schools and middle school. Your child will have the option to have breakfast in their classroom and will be charged accordingly. The high school students will visit the café for breakfast. Remember breakfast is free for both free and reduced students. If you prefer your child to not receive breakfast, please notify their teacher.

A quick and easy payment solution for your student's meals!
